Subject: U&O FIP: Draft FR Notice (i.e. preamble and rule) and TSD for SharePoint
Importance: High

Hi, all,

I plan to load the most current version of the draft FR notice and TSD to the SharePoint site by COB tomorrow, Friday, October 16th. Since I will be telecommuting tomorrow, if you produce any additional edits that need to be added to the master versions of either document after 1:30 pm today, please email your version to me and tell me exactly which sections need to be replaced.

Thanks a bunch and hats off to you all for an amazing effort on this first step!

Claudia
